Ecological Risk Assessment OU4 Des Moines TCE Site October 2015.docx

Erin –

It should be final. Here it is.

Venessa, I'm the new RPM for Dico. SEMs is down right now, so I can't check there, but I was wondering if you can tell me where we are with the eco risk assessment/screening you performed at the site. Has it been completed? Or is it still in the works? If so, can you let me know where we are on it and how long we anticipate is left on it? Thanks!
